- Privileges may be revoked for any disciplinary or academic referral, at the discretion of administration.

Students are expected to leave campus during their resource periods and not loiter in the parking lots.

Students are asked to continue to display our Core Values of Respect, Integrity, Compassion and Excellence, when in school or leaving school grounds and in the community.

Principals may establish additional rules to ensure the safety of their students and that are beneficial to the development of good citizenship and character in keeping with the spirit of this policy. If a student does not qualify, an email is sent to them stating the reason.
